Notes on Earlier Allens - from Allen Booklet of Dec. 1938

On March 20, 1635 - sailed from Weymouth Eng. a company under leadership of Rev. Joseph Hull - and in ship's company were George Allen, Catherine his wife, his sons George, William and Matthew, and Edward Poole his servant.  
Arrived in Boston May 6 - held land at Weymouth - then had grant of land in Sandwich with Freeman's company. He appears there as church member in 1638.

Was George a Revolutionary Soldier?  
Mass. Soldiers and Sailors of the Revolutionary War. Boston 1896 gives on p. 151:  
"Allen, George - Private, Capt. Benjamin Willcox's Co.; enlisted Dec. 8, 1776; service 17 days, on an alarm at Rhode Island; marched from Dartmouth to Howland's Ferry, R.I., to repel the British forces which arrived at Newport, Dec. 7, 1776." There are in same book other references to a George Allen but the above was most suggestive of our George.  
Friends Records of East Sandwich sent me by Mrs. William Rose. "A denial against George Allen of Dartmouth for being concerned in privateering" was added, approved and signed "17-2-1777." Thus our George does not appear later as Quaker - tho' wife & some children are cited.

After Lucretia died, her niece Lucy Smith cared  
for the 5 children for 3 years until Peter married  
again - a woman they all loved and who died  
Apr. 21, 1880 in California. Peter and she had  
two children - Cyrus and Eva.

Innes

"Peter Innes had come from Keith, Aberdeen Shire  
Scotland in 1837 in his 23<sup>d</sup> year. Early in the 1840's  
started a tailor shop in Yorkville. Later, Lucretia  
Allen a tailoress worked for him. Mr. Innes had  
married and was a widower when he went to  
Yorkville (his first wife lived only two years). In 1848  
he quit Yorkville business and went back to Scotland.  
Had left his Dad and Mother, an older brother (Presbyterian  
minister) James and two sisters also older. The  
brother and both sisters had passed on in his  
11 years absence. He remained a year while his  
Dad and Mother sold their home etc., and brought  
them back here. He went into business in Aurora  
and in 1850 he and Lucretia Allen were married  
in Yorkville. ... Pa built a beautiful home in the early  
1850's where we were all born except Gsa Belle.  
Pa was in clothing business and dealt in real estate -  
Innes & Coulter - bought land - Platted it and sold  
lots. Pa built a good brick store building and  
must have made money. Had over an acre in our  
home made into one of the finest places in early  
Aurora. We lived in it until Dec. 1869. We moved  
between 2 & 3 miles out in the country - an 80 acre  
place - a very poor move."

Letter of James M. Innes of Aurora Ill. Apr. 1939.

Peter's father John died before 1860. The 1860  
Census of Aurora Ill. gives Anne P. Innes, widow  
born in Scotland, living in family of Peter.

He went into Newspaper work and for many years owned, published, and edited a paper (Weekly Globe) at King City California - J.M. Innes letter.  
 He had not married in 1936. He has sold his newspaper.

"October 1871, friends of our family who had gone to Sacramento Cali, a year or more before (from Geneva, Kane Co.) had left a newly married daughter at Geneva. She had given birth to a girl baby and the mother passed on. Mr. Benjamin Wilson her father came from California to do what he could to help. He wife said to him "If possible, have Dora Belle Innes come back to care for the baby." It was so arranged. Sarah was teaching school and decided it might be a good move for her to go with Dora Belle.

--- So they went to Sacramento a few days before the Great Chicago Fire (Oct. 9, 1871) Sarah soon took examination for teacher, received a First Grade Certificate and could teach anywhere in the state, and could earn more than in Ill. In 1873 she married a young man named Hartson --- They both taught and all was rosy for a time. --- The fall of 1876, our Dad went to California --- helped Sarah --- and brought the boy back home

Pa was getting down financially and Ma physically. In the fall of 1879, they disposed of property and moved to Sacramento where Sarah was to have house rented where they could make a home together and Sarah could have her boy with her and teach as well. It was October, while they missed hearing from her a week before leaving, thought she was busy, when they arrived at Sacramento, Sarah was not at depot, but Isa and man of family where Sarah had her home with the sad news, Sarah had passed on with pneumonia a week previous. They found a house to rent (had shipped household goods). The next April 21, 1880, our stepmother passed on. ... "I attended the City School until 14 yrs & 8 mo's. old and acquired a good elementary education. I helped on the farm until Fall of my 17<sup>th</sup> year, then went to a neighbors and did chores for my board and went to school during winter and was hired in the spring as farm hand, and was on farms until spring 1876 and then run a Peddling Wagon. A firm here had 18-20 Wagons that travelled for many miles selling Tinware, glass ware, and notions and traded with farmers for produce, rags, metal etc. My team was a small pair of mules. During the time I drove to Kankakee to see Aunt Delany Smith and Uncle George. Cousin Thomas and Albert also had each a family and farm. Well the spring of 1877 I bought a team and went to Chicago and bought a wagon and goods and was in the business for myself and continued until May 1880. On the 8th I got the fall that fractured a vertebra in my spine and finished a career of

"of any physical labor Eleven months after the fall was elected Township Tax Collector (Bro. Charlie had bought team, wagon and goods soon after the accident) In Spring 1882, I was elected again. In May 1884 was persuaded that if I would spend a few months at Eureka Springs, Ark. it would do wonders for me, well it failed and I still had to get about on wheels or crutches and money was getting low. A friend came in October from Aurora and we went to Sacramento in Dec. and I was with the folks until 25 May 1885. I went to San Francisco thinking I might get into something I could earn a living at. It was near 14 years since I had seen Isa Belle. She wanted me to come and visit her at Ventura 400 miles down the coast. Fare on boat \$12.00 ... was there during July. ... So I got back to Aurora, Ill. Aug. 15 and was with the Prunes where I was at home off and on both before and after being crippled. I was in time to attend Charlie's wedding. And a week later was doing business at Yorkville Fair followed by several other Fairs. ... During 1886 was an Independent Candidate for County Treasurer and very near being elected. I continued Street and Fair work thru 1890, working Tennessee and Mississippi during winters. The Spring of 1890, the Democrats at their convention nominated me for office of County Treasurer. Although our County is very much Republican I was elected by a good majority. I boarded close to business center ... A young lady also boarded there. She was the Telephone Operator and the only one then and in fact a very efficient "Telephone Girl". I told her if elected I would make her my deputy, well I did and she was a good one. The term was from Dec. 1890 to Dec. 1894 and in March 14, 1895 we were married (although nearly 1/2 of my 4 years salary had been lost thru a bank failure) Her name was Harriett J. Anderson. ... The new Co. Treas. hired her during his first busy time. ... April 1901 she helped in Abstract Office in Geneva and continued with them 17 1/2 yrs. Then she was with Home Bldg & Loan until June 30, 1930 near 12 years. ... We had sold our 2 family home a mile out in 1902 ... and in 1906 built a splendid 3 flat house. Have a lovely home in Lower Flat. ... other two rented. ... In 1917 bought adjoining ... house and rebuilt it making 2 family house of it. ... In 1906 I started and Insurance business at home, also a notary Public. ...
